5. International Roaming

- Free 1GB roaming data is supported on TPG Mobile Services in selected countries. Excess roaming will be charged at \$3 per GB for these countries.
- For details, visit www.tpgmobile.sg/roaming

6. Mandatory Goods

- It is not a requirement of TPG Mobile Services that customers acquire handsets or other equipment from TPG.
- However, you must have a compatible mobile handset to be able to use this service.

7. Fair use Policy

- All TPG mobile plans are for personal use only and may not be used for commercial purposes or in a manner that may adversely affect the mobile network.
- In particular, the Service may not be used for wholesaling, reselling, SIM boxing or any other commercial purposes.
- If you are in breach of this Clause 7, TPG may immediately suspend any Service and may provide 24 hours' notice of termination of the mobile service.

8. Coverage

- Customers can enjoy full unthrottled 4G speeds when they use a 4G-ready smartphone/device supporting LTE Band 40 - 2300MHz and/or Band 8 - 900MHz. TPG supports Carrier Aggregation which results in improved network speeds.
- When customers are not within a TPG coverage area or their handset or device is not 4G-ready (with LTE 2300MHz/900MHz support), the TPG Mobile Service cannot be used.
- When inside the coverage areas, actual speeds vary due to factors such as location, distance from the base station, local terrain, user numbers, hardware & software configuration and download source/ upload destination.
- For the latest coverage updates, [click here](#).

9. Voice and Public Emergency Calling

- A 4G/LTE supported device is required for making and receiving calls.
- The TPG network supports specific VoLTE devices for mobile voice calling. Full details: www.tpgmobile.sg/volte.
- For non-VoLTE smartphones, you can download and use the **TPG 4G Voice App** for voice calls. Otherwise, you will not be able to make and receive calls including calls to emergency services.
