

Information about the Service

1. Service Description

- The Seniors Go Digital Mobile Plan is a no-contract plan which includes a recurring payment every 30 days through cash, Visa or Mastercard via TPG website, TPG shop and Authorised Dealers. You can view your invoices through My Account. The underlying network is the TPG mobile digital network (4G).
- The service includes:
 - 20GB Data (20GB at full 4G speeds. Thereafter, unlimited data throttled at 512kbps)
 - 300 Local Call minutes
 - 30 Local SMS
 - Free Incoming Calls and Caller ID
 - 1GB Data Roaming in selected countries
 - Mobile Number Portability is available
- A 4G/LTE supported device is required for making and receiving calls. See 'Voice and Public Emergency Calling' section for more details.

2. Eligibility

- Seniors Go Digital Mobile Plan is available to Singapore Citizens and Permanent Residents aged 60 years old and above.
- If customers do not renew the plan by Day 30, the plan will be suspended on Day 31. During the suspended period only incoming calls and SMS will be allowed for the next 14 days, after which the service will be terminated if the plan is not renewed.
- Every eligible customer who signs up for 1 Mobile Access for Seniors Plan can sign up for another maximum 3 Seniors Go Digital Mobile Plan. Otherwise, customer can sign up for a total of 4 Seniors Go Digital Mobile Plans.

3. Minimum Term

- Seniors Go Digital Mobile plan is valid for 30 days which will be automatically renewed after 30 days subject to a successful recurring payment.
- Customers are permitted to terminate the Service at any time. All payments made are non-refundable.

4. VoLTE Supported Smartphones

Customers can choose to purchase VoLTE supported smartphones from TPG at the published rates. These smartphones can only be purchased with sign-up of a TPG Seniors Plan. Smartphone warranty is given by phone manufacturers. The latest smartphone on offer can be viewed from tpgmobile.com/seniors.

5. Mobile Security Value-Added Service

Mobile Security VAS is available as an add-on at \$3 with sign-up of TPG Seniors Go Digital Mobile Plan.

6. Excluded Usage

- Some usage types such as MMS, video calls and Premium Services are not supported.
- For excess calls and SMS, you can access and do an Account Balance recharge by logging into My Account.
- Top-ups are not refundable.

For full rates and a complete understanding of Inclusions & Exclusions, visit the website www.tpgmobile.sg.

7. Mandatory Goods

- It is not a requirement of TPG Mobile Services that customers acquire handsets or other equipment from TPG.
- However, you must have a compatible mobile handset to be able to use this service.

8. Fair Use Policy

- All TPG mobile plans are for personal use only and may not be used for commercial purposes or in a manner that may adversely affect the mobile network.
- In particular the services may not be used for wholesaling, reselling, SIM boxing or any other commercial purposes.
- If TPG reasonably believes that you are using the service for commercial purposes in breach of this clause, or in a manner that may adversely affect the mobile network, TPG may immediately suspend the mobile service and may provide 24 hours' notice of termination of the mobile service.

9. Coverage

- Customers can enjoy full unthrottled 4G speeds when they use a 4G-ready smartphone/device supporting LTE Band 40 - 2300MHz and/or Band 8 - 900MHz. TPG supports Carrier Aggregation which will result in improved network speeds.
- When customers are not within a TPG coverage area or their handset or device is not 4G-ready (with LTE 2300MHz/900MHz support), the TPG mobile service cannot be used.
- When inside the coverage areas, actual speeds vary due to factors such as location, distance from the base station, local terrain, user numbers, hardware & software configuration and download source/ upload destination.
- Currently, TPG has limited coverage in tunnels but improvements are ongoing. For the latest coverage updates, click [here](#).

10. Voice and Public Emergency Calling

Making and receiving mobile voice calls require a VoLTE supported device. Please note that:

- The TPG network supports specific VoLTE devices for mobile voice calling. An updated list can be found at www.tpgmobile.sg/devices.
- For other 4G smartphones, you can download and use the TPG 4G Voice app for voice calls otherwise you will not be able to make and receive calls including calls to emergency services.
