

Legal Counsel

The key duties and responsibilities of the role include the following:

- Assisting with advice relating to laws, regulations, quasi-legislation, codes and guidelines relating to competition, personal data protection and telecommunications
- Reviewing and drafting contracts relating to TPG's telecommunications business and operations
- Assisting the General Counsel on general corporate matters, and when necessary, regarding communications with regulators, and relevant consultations issued by regulators from time to time
- Updating key knowledge management on relevant laws and regulations relating to competition, cyber security and data protection, consumer protection, marketing and telecommunications
- Supporting the drafting of compliance and regulatory protocols, and collaboration with other teams to build effective and scalable processes relating to legal review, contracting and document retention
- Performing other related tasks assigned from time to time
